# **The Kyle Constantine 4 Hours of Stafford Racing for Mental Health Awareness**

Dear Drivers,

Cherish the Children Foundation(CTCF) is excited to host the 1st annual Kyle Constantine 4 Hours of Stafford (Racing for mental health awareness). What started as a grassroots effort by the Carbone family in 1989 has evolved into a charity that has provided close to \$2 million towards improving the lives of children in our community.

Since my brother passed in 2021, CTCF started the Kyle Constantine Memorial Initiative(KCMI). Our focus is on improving children's mental health by bringing awareness, sponsoring events, funding preventative programs, and directly supporting children in financial need currently receiving mental health services.

CTCF and KCMI currently serve as a direct resource for children and families with financial needs brought on by medical or quality of life challenges not being met through traditional funding sources. This charity race will be one of our major fundraisers, next to our golf tournament held in June. This fundraising event will allow us to continue to fulfill our mission.

We humbly appreciate your support. We want you to know that your participation in the go-kart race is going to help spread awareness and directly help kids and families in need.

Thank you for your support.

Bill Constantine  
Race Director/Advisory Board Member
